Epworth Freemasons**

Courtyard of Peace and Harmony

## Paving a future

You are invited to make your mark at Epworth Freemasons by purchasing a personally inscribed granite paver in the Courtyard of Peace and Harmony.

Located within the heart of the hospital's Clarendon Street campus, the Courtyard of Peace and Harmony offers a tranquil space for patients, staff and visitors alike.

The courtyard has recently been landscaped around a central checkerboard of pavers recognising several hundred Freemasons who have already secured their place in the project.

Epworth HealthCare acknowledges the philanthropic heritage of the hospital and is working with Freemasons Victoria to continue the history of giving on which it was founded.

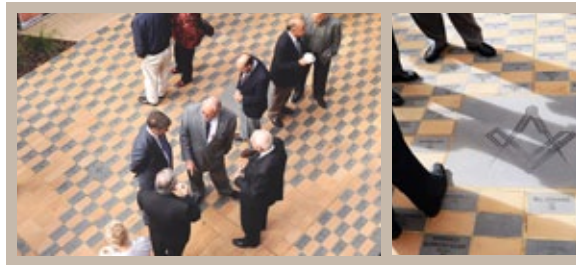

Those who contribute not only provide a 'bricks and mortar' contribution to the project but also assist with improvements to the healthcare facility.

## Secure your place

With just \$400 you can secure a commemorative paver inscribed with your Name, Number of your Mother Lodge and Year of Initiation. Of course friends and family of the Freemason community are also welcome to take part.

Those who contribute will be issued with a tax-deductible receipt and funds raised will be used to purchase medical equipment for the increasingly busy hospital.

Simply complete the form overleaf and return to the Epworth Medical Foundation. Alternatively you can phone (03) 9426 6133 or email [emfinfo@epworth.org.au](mailto:emfinfo@epworth.org.au).

## Make your mark

Yes! I would like to make my mark in the Courtyard of Peace and Harmony at Epworth Freemasons.

Please accept my order of:

Number of pavers \_\_\_\_\_ @ \$400 each
