Epworth Rehabilitation Directory

As at February 2012

epworth.org.au

Epworth Rehabilitation is one of the largest private sector rehabilitation services in Victoria.

Epworth Rehabilitation has 226 rehabilitation beds:

- 85 beds at Epworth Rehabilitation Richmond
- 74 beds at Epworth Rehabilitation Camberwell
- 67 beds at Epworth Rehabilitation Brighton

Six of the beds at Epworth Rehabilitation Camberwell are also for the assessment and management of sleep disorder studies.

Epworth Rehabilitation specialises in the clinical management of patients following:

- acquired brain injury
- joint replacement
- orthopaedic surgery
- multi trauma
- neurological events such as stroke
- cardiac events
- pain management issues

The Rehabilitation service has a team based approach and sees around one third of Victoria's road trauma patients each year.

Epworth Rehabilitation provides multidisciplinary individualised programs for patients requiring inpatient, outpatient and community rehabilitation programs. The aim is to return individuals to as productive and functional status as possible, enabling people to live in the community with a lifestyle maximising functional ability and quality of life.
