Your Doctor from Victorian Heart Centre is on the move.

Victorian Heart Centre (VHC) is temporarily relocating to Level 2, 62 Erin Street, Epworth Richmond to allow the current consulting suites to be refurbished.

Why?

Epworth HealthCare is commencing a redevelopment to its Richmond campus. The first stage of the redevelopment involves the refurbishment of levels 5 and 6 of the Bridge Road building, and the construction of an additional 3 levels.

This will:

- Improve consulting suites for VHC when relocated back to the Bridge Road building
- Improve hospital facilities
- Increase the number of car parks for patients and visitors
- Increase the number of patient beds.

When?

VHC will be relocated over the weekend of 1 and 2 May, 2010 and will be operational in their new location from Monday 3 May, 2010.

Where?

VHC's new location will be at Level 2, 62 Erin Street, Epworth Richmond. Access to VHC's new location is detailed opposite.

How do I find my doctor?

There are a number of ways to access Level 2, 62 Erin Street:

Entry from 89 Bridge Road car park

When entering the car park from Bridge Road, continue down the ramp and across the pedestrian crossing, then take the first left. Drive up the ramp towards a section of covered and uncovered car parks. The covered section of car parks is directly under the 62 Erin Street building. If you continue up the ramp you will see designated car parks for VHC patients and visitors on the upper section of car park. To reach VHC, take the ramp or stairs to the lift. VHC is located on level 2 of this building. See Map 1.

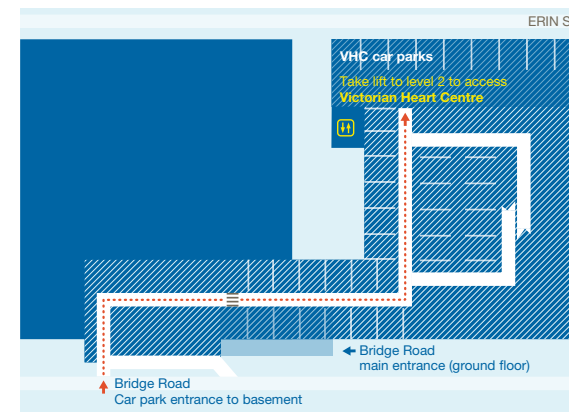

Entry from 89 Bridge Road on foot

Once you have entered into the lobby, continue through to Hudsons Café. Turn left at Hudsons Café and take the lift up to Level 2. Exit the lift and turn left towards Level 2 main reception. Continue past main reception and take the third right, opposite the Epworth Medical Foundation. Continue down the corridor and take the lift (next to 2ES reception) up to Level 3. Exit the lift, turn right and turn right again onto the link bridge to enter 62 Erin Street. Access to Level 2 is via either the lift or the stair well. See Map 2.

Entry from Erin Street on foot

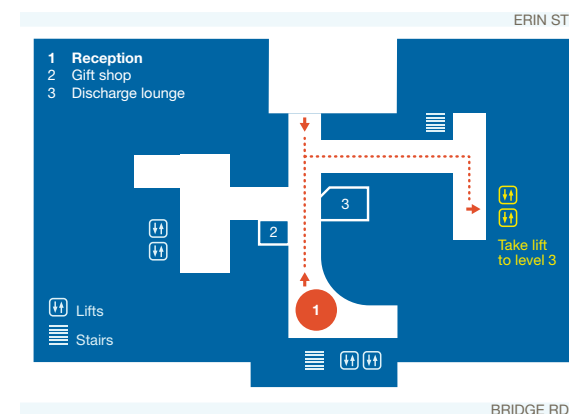

Once through the main entry, take the first left (opposite Epworth Medical Foundation) down the corridor towards 2ES. Take the lift (next to 2ES reception) up to level 3. Exit the lift, turn right and turn right again onto the link bridge to enter 62 Erin Street. Access to Level 2 is via either the lift or the stair well. See Map 2.
