

## TITLE

**OBSTETRICS UPDATE: 'Candidates for low dose aspirin in pregnancy and indications for high dose folic acid in pregnancy'**

## SPEAKER

Dr Maryam Ebrahimi, *Obstetrician and Gynaecologist*

## OVERVIEW

Dr Maryam Ebrahimi, Obstetrician and Gynaecologist, will discuss the indications for high dose folic acid and indications for aspirin in pregnancy in the context of general practice providing an insight into the presentation, investigations and tests to order and initial management before patients are seen by an obstetrician. The presentation will include case studies and the opportunity for Q&A.

## LEARNING OUTCOMES

1. Discuss the effects of low dose aspirin in pregnancy and outline the indications to start as early as possible
2. Discuss the role of folic acid in pregnancy and outline the indications of high dose folic acid supplementation in pregnancy
