

Epworth HealthCare

GP EDUCATION PROGRAM – Webinar Event

REHABILITATION SOLUTIONS FOR YOUR PATIENTS – A CASE-BASED PRESENTATION

OVERVIEW

This webinar will include an overview highlighting the benefits of rehabilitation programs for patients followed by case study presentations discussing different rehabilitation pathways.

Case study one – patients with joint pain or mobility issues who would benefit from rehabilitation assessment and development of a treatment pathway.

Case study two - patients following orthopaedic surgery and the rehabilitation pathways developed for this patient group as inpatients or rehabilitation in the home (RITH).

TOPICS | SPEAKERS

Introduction and rehabilitation overview

Speaker and Moderator: Prof John Olver, Director Epworth Rehabilitation and Mental Health

Case Study One

Speaker: Mr Paul Fairbank, Physiotherapist and Deputy Physiotherapy Manager

Case Study Two

Speaker: Ms Angie Vanderzeil, Physiotherapist and Team Leader

LEARNING OUTCOMES

1. Discuss patients presenting with joint pain or mobility issues that would benefit from a rehabilitation assessment as part of a treatment pathway
2. Discuss the physiotherapy and rehabilitation management options for patients post orthopaedic surgery
