VASCULAR - VARICOSE VEINS AND ULCERS

WEBINAR PROGRAM

DATE and TIME

Wednesday 28th October 2020, 12.30pm – 1.30pm

Epworth Eastern 1 Arnold St Box Hill VIC 3128 - **via Zoom Webinar**

SPEAKER Dr Michael Wu, Vascular and Endovascular Surgeon
TITLE Varicose Veins and Ulcers – Referral Pathways and Options for Treatment
FORMAT CPD Activity | Webinar | Presentation and Q&A

SESSION OVERVIEW

- Chronic venous insufficiency (CVI) is a common presentation in general practice and vascular surgical referrals.
- Swelling, varicose veins, superficial thrombophlebitis, skin changes and ulcers encompass the spectrum of presentations for CVI.
- A discussion of the anatomy and presentation of CVI will guide the interventions that are feasible and offered to patients.
- Venous and mixed arteriovenous ulcers can be difficult to manage, and a further discussion of the dressings and management strategies will be offered.
- Referral of patients with CVI to various options in the public and private sectors will be presented

LEARNING OUTCOMES

1. Explain the pathophysiology of varicose veins and rationale behind interventions
2. Discuss the management of venous and mixed arteriovenous ulcers
3. Outline referral pathways for varicose veins and ulcers
