

Epworth GP Education  
**VASCULAR UPDATE**  
WEBINAR PROGRAM

**DATE** WEDNESDAY 03<sup>rd</sup> NOVEMBER 2021

**TIME:** 7.00pm – 8.15pm

**SPEAKER/TOPIC** **THE DIABETIC FOOT:**

**Dealing with the Complexities of the Diabetic Foot Infection**  
*Presented by Dr Adam Roberts, Endocrinologist*

**Vascular Assessment and Management in the Diabetic foot**  
*Presented by Dr Mayur Krishnaswamy, Vascular & Endovascular Surgeon*

### OVERVIEW

Hosted by Epworth Geelong, this GP education webinar will be co-presented by Dr Adam Roberts, Endocrinologist and Dr Mayur Krishnaswamy, Vascular and Endovascular Surgeon.

As diabetes becomes more common in our community and the management becomes ever more complex, this webinar will break down the management of diabetic foot disease with some case studies to explore.

The webinar will include Q&A moderated by GP Liaison, Dr Anne Stephenson.

### LEARNING OUTCOMES

1. Apply the current evidence for preventing and managing the feet and foot ulcers of people with Diabetes.
2. Develop a systems-based, multi-disciplinary approach to the to the assessment and treatment of foot ulcers.
3. Identify when to refer a patient with Diabetes to a specialist for assessment.
4. Recognise when a diabetic patient needs urgent referral to the specialist or emergency department.
