Epworth Research Week

4–11 August 2026

Celebrating research excellence | epworth.org.au/research

Thursday 6 August

Cancer Panel Discussion

In-person and on-line | Research Hub Hoddle Street | 3:30 to 4:15 pm

Hear an insightful discussion on how research is driving the future of cancer treatments.

*Limited places – Register NOW

Link – <https://events.humanitix.com/epworth-research-week-cancer-panel-session>

Poster Symposium

In-person | Research Hub Hoddle Street | 4:30 to 6:00 pm

Join your colleagues and researchers to sample the breadth of Epworth research and celebrate the announcement of our 2026 Research Award winners.

Link – <https://events.humanitix.com/epworth-research-week-2026-poster-symposium>

Friday 7 August

Acute to Chronic Care Research Symposium

Online | 12:00 to 2:00 pm

From aortic valve implementation to sleep assessment after Traumatic Brain Injury (TBI) and co-designing interventions, hear about research that is changing lives.

Link – <https://events.humanitix.com/epworth-research-week-2026-acute-to-chronic-care-symposium>

Monday 10 August

Orthopaedic and Surgery Symposium

Online | 12:00 to 2:00 pm

Hear about a wide range of orthopaedic research, including innovation and entrepreneurship in private healthcare and if a blood test can predict the future.

Link – <https://events.humanitix.com/epworth-research-week-2026-orthopaedic-and-surgery-symposium>

Rehabilitation Research

Online | 3:00 to 4:30 pm

Come and hear the latest traumatic brain injury (TBI) research outcomes from the Monash Epworth Rehabilitation Research Centre.

Link – <https://events.humanitix.com/epworth-research-week-2026-monash-epworth-rehabilitation-research-centre-symposium>

Tuesday 11 August

Closing

Online | 12:30 to 1:30 pm

Join us as we conclude Research Week 2026 with a celebration of innovation, impact, and collaboration.
