EPWORTH REHABILITATION • 1300 46 REHAB

Epworth Rehabilitation is one of the largest private sector rehabilitation services in Victoria.

There are 242 rehabilitation beds as follows:

- 61 beds at Epworth Richmond – Rehabilitation
- 84 beds at Epworth Camberwell (inclusive of six beds for the assessment and management of sleep disorder studies)
- 67 beds at Epworth Brighton
- 30 beds at Epworth Hawthorn

Our rehabilitation service specialises in the clinical management of patients following:

- acquired brain injury
- joint replacement
- orthopaedic surgery
- multi trauma

- neurological events such as stroke
- cardiac events
- pain management issues
- amputation
- breast cancer treatment.

The rehabilitation service at Epworth has a team based approach and sees approximately one third of Victoria's road trauma patients each year.

This service provides multidisciplinary individualised programs for patients requiring inpatient, outpatient and community rehabilitation programs. The aim is to return individuals to as productive and functional status as possible, enabling people to live in the community with a lifestyle maximising functional ability and quality of life.
